## BPL Summer Programs 2017

No need to register for these programs—just show up and have fun!  
All programs are FREE.

### Chalk it up! (All ages)

Help us celebrate Canada's 150th birthday by decorating the sidewalks in front of the library with chalk art! Registration for the TD Summer Reading Club begins today as well.

**Friday, June 30 from 10:00—11:00**

### Tinker Lab: build (All ages)

Design and build whatever you can imagine! Lego, creative building sets, marble run, boxes, blocks and other loose parts.

**Tuesdays, July 4—August 8 from 10:00—11:00**

### Unravelled (All ages)

Love to knit or crochet? Want to Learn? Bring your projects along and socialize with other yarn-happy people in a fun, relaxed environment.

**Tuesdays, July 4—August 8 from 2:00—3:30**

### Library Bookworms (Ages 0-4 with an adult caregiver)

Interactive family storytime with books, music, rhymes, early literacy & numeracy activities, and opportunities for cooperative play.

**Wednesdays, July 5—August 9 from 10:00—11:00**

### Tinker Lab: hack (Ages 8-12)

Love tech? This is the Tinker Lab for you! Build problem solving skills as you experiment with coding, circuits, game design and more.

**Wednesdays, July 5—August 9 from 2:00—3:30**

### Tinker Lab: grow (All ages)

Come tinker in our Library Community Garden and experiment with growing your own food! We will make weekly trips to the Brockville Farmers' Market to meet local growers and buy fresh fruits and veggies to snack on while we tend the library garden. Young children should be accompanied by an adult.

*This program is presented in partnership with the Healthy Kids Community Challenge Leeds Grenville and funded in part by the Province of Ontario.*

**Thursdays, July 6—August 10 from 10:00—11:30**

Children of all ages are invited to register for the 2017 Brockville Public Library TD Summer Reading Club!

Membership in the Club is **FREE** and at registration you will receive a reading log book to track your reading progress. This club is designed to keep children engaged and reading during the summer months; small incentive prizes will be awarded throughout the summer to celebrate your achievements.

Every book a Club Member reads during the program counts toward our 2017 grand total—last summer we read 1113 books!

Joining the Club is easy!

1. Sign up at the children's desk on the main floor of the library - registration begins **Friday, June 30**.
2. Visit the library and report the number of books you've read each week. Tell us a little something about your favourite book that week and we'll give you a sticker and a small prize. Load up on more books for the next week and repeat!
3. Have fun! Check out our program calendar for more cool activities at the library all summer.

Questions?

### Game On! (Ages 8-12)

Drop in and play awesome board games like Monopoly, Battleship and Twister; test your skills with Just Dance, Rock Band, and Mario Kart on the Wii; or bring along your portable device and play Minecraft: Pocket Edition with friends.

**Thursdays, July 6—August 17 from 2:00—3:30**

### Tinker Lab: create (All ages)

Let your creative side run wild! We supply the materials, you provide the inspiration. Fun for all ages.

**Fridays, July 7—August 18 from 10:00—11:00** (excluding July 21)

### Family Movies (All ages)

Free family movies on the big screen in our meeting room.

**Fridays, July 7—August 18 at 2:00** (excluding July 21)

hack | build | create | play

## Do you tinker?

We do!

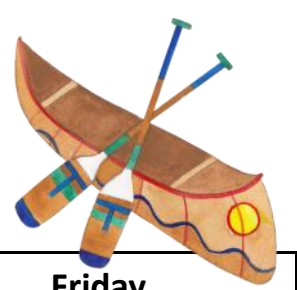

BPL's Tinker Labs provide endless opportunities for kids to explore and experiment in a relaxed, unstructured way.

It is as much a philosophy as a physical space—we believe the process is the product and encourage hands on discovery, creativity and innovative thinking.

**Have you tinkered today?**

Stop by one of our Tinker Labs and get inspired to create, hack, build and explore through hands on experimentation and play. Sometimes things get a little messy but that's the way we like it!

Tinkering stretches the imagination and encourages outside-the-box thinking and creative problem solving—plus, it's loads of fun!
