BPL Summer Programs 2018

No need to register for these programs—just show up and have fun!
All programs are FREE.

TD Summer Reading Club Round-up! (All ages)

Head down to the library for some old-fashioned outdoor fun—chalk art, hopscotch, skipping games, bubble concocting and more!
Registration for the TD Summer Reading Club begins today as well.
Wednesday, July 4 from 10:00—11:00

Tinker Lab: grow (All ages)

Come tinker in our Library Community Garden and experiment with growing your own food! Dress for the weather and plan to get dirty :)
Tuesdays, July 10—August 14 from 10:00—11:00

Unravelled (All ages)

Love to knit or crochet? Want to Learn? We have supplies that you can borrow to get started and projects suitable for all ages.
Tuesdays, July 10—August 14 from 2:00—3:00

Tinker Lab: play (All ages)

Power off and Play! Meet us in Hardy Park* for a morning of cooperative games and activities that encourage active outdoor play. Tag, silly relay races, DIY obstacle courses, and parachute fun are only the beginning—in true Tinker Lab fashion, we will be asking you to help us dream up some brand new games where you make up the rules!
(If it's a really rainy day, join us at the library for some indoor fun.)
Wednesdays, July 11—August 15 from 10:00—11:00

*Moved to the George St. Park on August 8 for Ribfest set-up

This program is presented in partnership with the Healthy Kids Community Challenge Leeds Grenville and funded in part by the Province of Ontario.

Tinker Lab: hack (Ages 8-12)

Attention techies: this is the Tinker Lab for you! Build problem solving skills as you experiment with coding, circuits, game design and more.
Wednesdays, July 11—August 15 from 2:00—3:00

Membership in the Club is **FREE** and at registration you will receive a reading log book to track your reading progress. This club is designed to keep children engaged and reading during the summer months; small incentive prizes will be awarded throughout the summer to celebrate your achievements.

All books read by Club Members during the program count toward our 2018 grand total—last summer we read 1444 books!

Joining the Club is easy!

1. Sign up at the children's desk on the main floor of the library - registration begins **Wednesday, July 4th**.
2. Visit the library and report the number of books you've read each week. Tell us a little something about your favourite book that week and we'll give you a sticker and a small prize. Load up on more books for the next week and repeat!
3. Have fun! Check out our program calendar for more cool activities at the library all summer.

Library Bookworms (Ages 0-4 with an adult caregiver)

Interactive family storytime with books, music, rhymes, early literacy & numeracy activities, and opportunities for cooperative play.
Thursdays, July 12—August 16 from 10:00—11:00

Tinker Lab: build (All ages)

Design and build whatever you can imagine! Lego, creative building sets, marble run, boxes, blocks and other loose parts.
Thursdays, July 12—August 16 from 2:00—3:00

Tinker Lab: create (All ages)

Let your creative side run wild! We supply the materials, you provide the inspiration. Fun for all ages.
Fridays, July 13—August 17 from 10:00—11:00

Family Movies (All ages)

Free family movies on the big screen in our meeting room.
Fridays, July 6—August 17 at 2:00

Do you tinker?

We do!

BPL's Tinker Labs provide endless opportunities for kids to explore and experiment in a relaxed, unstructured way.

It is as much a philosophy as a physical space—we believe the process is the product and encourage hands on discovery, creativity and innovative thinking.

hack | build | create | play

Have you tinkered today?

Stop by one of our Tinker Labs and get inspired to create, hack, build and explore through hands on experimentation and play. Sometimes things get a little messy but that's the way we like it! Tinkering stretches the imagination and encourages outside-the-box thinking and creative problem solving—plus, it's loads of fun!
