

FRAMING NATURE

a photography activity

1. FIND YOUR LANDSCAPE

Leeds & Grenville and the Thousand Islands area has so many nature trails to walk and hike, including family friendly trails. Use the maps included with this kit as guides for local trails, or check out hiking trail maps and more at frontenacarchbiosphere.ca/explore/hiking

2. PRACTICE FRAMES AND ANGLES

Look for horizon lines, consider your angles: wide-angle shots and up close detailed shots. Learn how to take better photos with LinkedIn Learning, including lessons on mobile and landscape photography.

3. TRY A PHOTOGRAPHY CHALLENGE

Look for the shapes of letters formed by nature. Take pictures of all the letters in your name then print and frame; and you have created an original piece of art!

4. SHARE YOUR PHOTOS WITH US!

Capture a fun moment and make great memories right here in Leeds & Grenville! Show off your skills and share them:
